Power and Durability You Can Rely On

## DIMENSION & EXTERIOR

**Baggage Holder**  
Extend space and add to bold touch

**BedLiner**  
A variety of materials are available to meet diversified demands

**Side Step**  
Full-range of high chassis standard bringing convenience of getting on and off

**Halogen Lightening**  
Adjustable height of low beam and high beam, ideal for all-weather driving, bringing safety and beauty

**Front Grille**  
Straight front grille, handsome and masculine, rich in layers, three-dimensional

**Taillight**  
Industrial decorative design, light shape and tailgate extend the visual width

## PERFORMANCE

Global Leading Technology

Gasoline Engine: 2.0 T  
Max.Torque: 330 N.M  
Hors Power: 214 HP

Diesel Engine: 2.8 T  
Max.Torque: 360 N.M  
Hors Power: 147 HP

**Rear Axle Differential Lock**  
automatic locking is available when wheel speed difference reaches 100 rev/min, a must tough road conditions

**Three Driver Modes**  
ECO/NORMAL/POWER

**Four-wheel drive system**  
Four-wheel drive system with heavy and light dual control
